## 2010-2011 Tuition Schedule

### Registration

**Registration reserves a place in a class for a student on a priority-based waiting list. Registration opens Monday, February 1, 2010 for all students.**

**Re-enrolling Students:** The student's account must be current in order to be registered for classes.

**Financial Aid:** Students applying for financial aid will be registered when a financial aid application has been submitted, reviewed by the Finance Committee and a specific grant has been offered and accepted in writing. Those requesting financial aid may proceed with regular payments until a decision is made by the Finance Committee. At that time, the account may be adjusted accordingly.

**Waiting List:** In the event a class is full, the student is placed on a priority-based waiting list when registration is paid. The family of a student on the waiting list is not required to make tuition payments, but should be prepared to catch up on all payments that would have accrued from July forward should a position become available before the start of the school year.

**Registration fee refunds** may be given under the following circumstances:

- A student on the waiting list is not ultimately enrolled.
- After the interview, the school is unable to accept the student.

**Except as noted above, the REGISTRATION FEE IS NOT REFUNDABLE OR TRANSFERABLE.**

**REGISTRATION FEE:** \$175 per student all grades

The real cost of educating your child is \$8,000 per year or approximately \$670 per month, the schedule below is what we are charging:

A card for occasional half-days may be purchased separately in the office.

**Middle School Surcharge:** Each 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade student is required to pay an additional \$37.50 per month or \$450 per year to help offset some of the higher and additional costs per student in the Middle School program. There will be some additional cost for books.

**Late Payment Fee:** With the exception of full payment by July 10<sup>th</sup>, **tuition is due by the first of each month with a 10 day "grace period."** Unless specifically prearranged in writing to the Finance Committee, a **\$20 late fee will be assessed on the 10<sup>th</sup> of the month** along with a reminder letter by mail as specified in the Parent Manual.

**PLEASE NOTE:**

- A student's registered class position could be forfeited to a waiting list position if that family's tuition account is not kept up to date monthly.
  - Students enrolling after school begins will be charged tuition proportionate to the actual school days remaining, rather than the above full-year schedule. Tuition payments will be divided evenly over the remaining months through June.
  - The Multiple Student Discount applies only to families with students who are living in the same household.
